

How to access ?

Chemin des Charmettes 7
1003 Lausanne

By car

The easiest way is to park either at Parking de Montbenon or Parking du Centre (near Le Palace Hotel)

Montbenon: Attention, you can access the parking from two sides, from Mornex or Jean-Jacques Mercier. Enter the parking coming from Ch. De Mornex and park. Exit the same way and walk on your left until Ch. des Charmettes and walk up to nr. 7. We are on Level 1.

Centre: Exit the parking at the top, at the level of the Palace Hotel. Cross the street, walk to your right for 50meters and take the first small street on your left. Our building is the one you see in front of you! We are on level 1.

By Train or metro

Exit the train station and walk up the steep street "Le Petit-Chêne" just in front of the train station. You can either turn left on Mornex and right on Ch. des Charmettes or walk up Le Petit-Chêne until the next street on your left (a few meters before you reach the top of the street). We are on level 1.

If you can't walk, you can take the metro, exit at the next station (Le Flon), take the elevator to the top end, walk towards the Palace, and follow the directions as for the Parking du Centre above.

By bus

You have to stop at Place St-François, most of the bus stops there. Walk along the Palace Hotel, then take the next street on your left, we are the first building you see from the short downhill.
